Shri. Ajoy Kumar Sinha, IAS Finance Secretary cum Secretary Engineering Chandigarh UT, Oct. 2019

Some projects have the potential to revolutionize how governance is done and GePNIC has been one such initiative. It has changed the way how Government procurement is undertaken and has brought in a lot of transparency and trust in the system. It has been a winwin project which has not only benefited the Depart...

Shri. K.Rajaraman, IAS Joint Secretary Department of Expenditure, July 2018

Central Public Procurement Portal is a robust and secured platform offering full transparency in public procurement for the Government of India, most States and local Government across India. CPPP is a trusted tool for vendors and Public servants beside being a valuable data source for procurement.

Shri. Tuhin Kant Pandey, IAS Principal Secretary Finance Department, Odisha State

GePNIC is one of the flagship e-Governance of Odisha which has brought about a transformative change in the procurement process of the state with a huge impact on Government to Business (G2B) scenario. In my View, This is one of the most successful projects used widely by various stakeholders in the state.

SHRI. P.k Mohapatra, IAS IT Secretary Govt. of Odisha, 2008-09

Being associated with this project since inception, I take this immense pleasure for the success of GePNIC both in the State as well as at National level. From the beginning GePNIC is being planned to be a generic project which made it's adaptability fast across departments.
