### iPhone Screenshots

#### Description

Government eProcurement System of National Informatics centre, GePNIC Mobile App provides convenient, easy and free access to tenders published on the Central Public Procurement Portal. This app provides details of eTenders published by various entities of Government of India through the Central Public Procurement Portal. Basic and important details of tenders are made accessible through the app and access to complete tender information is free. The users may also visit <https://eprocure.gov.in> for additional details.

#### Overall Features

- Search easily for tenders, quotations, bids and contracts or receive daily notification , alerts that are personalized to the business sector.
- Any enrolled bidder can have access to pending activities of the day, Latest Corrigendum details, To Do List, Recent events, Bid Awards.
- View the full Tender details, including Publishing Date, Closing Date, Tender Description and other relevant details.
- Get details of all published tenders real time through the mobile app.
- Provision to get alerts on specific product categories.
- Secured access to information on demand.
- Information provided to General Public as well as enrolled bidders.
- Enrolled users can see the complete tender status at any point of time.
- Award of Contract/Bid Awards information retrieval is also possible.

### What's New

11 Jun 2018
